Hey,

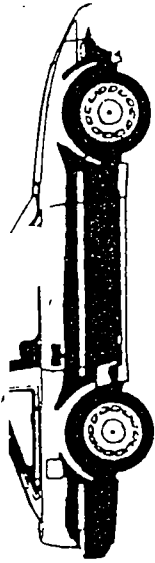

Nice

Hi! We are the Z Car Club of Colorado, and we'd like to extend this invitation to you to be our guest at a meeting, find out what we do and see what club membership can do for you.

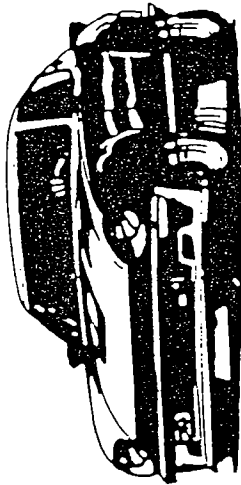

We drive cars. We drive our Z's in caravans to a variety of events. We drive Mailbu Grand Prix cars up at 58th and the Valley. We drive slot car Z's at floating locations to be announced.

We show off our cars. In addition to parades, we do mall auto shows, where all those lovely Z's can be displayed for shoppers to admire.

We fix and fix up our cars. We have clinics which instruct about tune-up and car maintenance as well as exterior car care. We are learning about do-it-yourself bodywork.

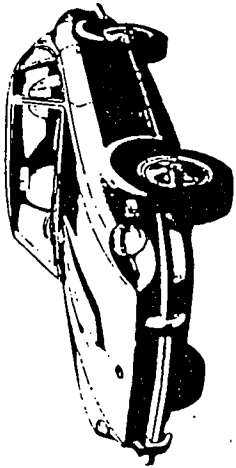

We party. We have our annual banquet in January, and a membership picnic in the summer. We've done Halloween parties, hayrack rides, and "just because" parties.

We promote Z spirit nationwide and interrelate with other Z clubs. The Z Car Club of Colorado put on the First National Z Car Convention in July, 1988 in Aspen.

We race and rallye. We participate in a variety of events for the novice and advanced rallyist and autocross driver. These events generally pit us against other car clubs.

have been in the St. Paul area for several years, as well as working on the phone team for several of the Channel Six pledge drives.

DISCOUNTS

We save money. Club members benefit by receiving discounts on Z parts, accessories, and repairs at various businesses and Nissan dealerships (such as Goodman Nissan, our Club Sponsor).

Official Newsletter of the Z Car Club of Colorado

We receive the Odometer, the official newsletter of the Z Car Club of Colorado. It tells us about all the events that members have been in, as well as what's going on down the road.

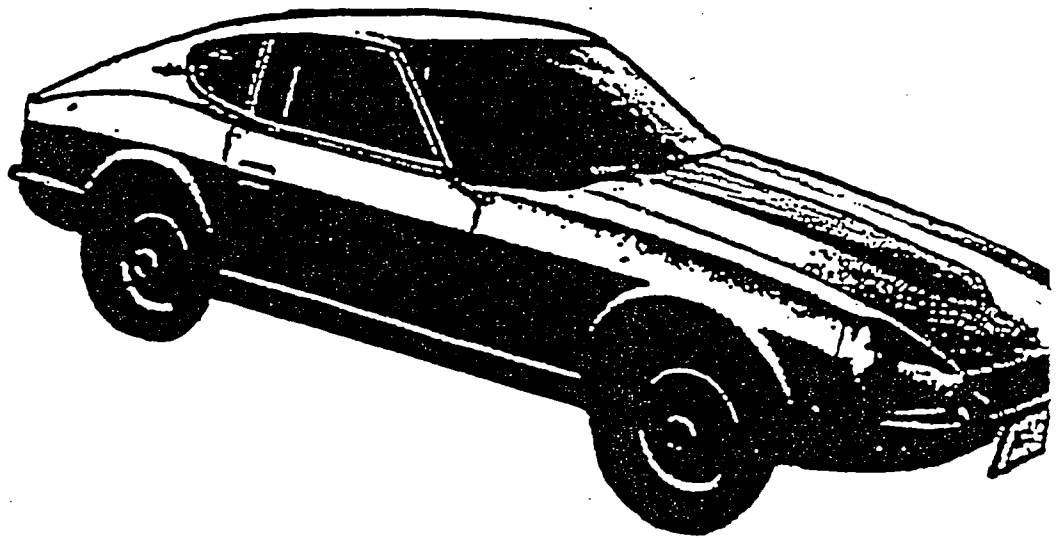

Come see what we're about. We meet on the second Wednesday of each month at a location announced in advance, and the emphasis is on "generally accessible" and "social". For more information, call the Z Line at 232-5827, or call me:
